Message from the Chairman

Dear All

May I take this opportunity to welcome your team and your players to the East Lancashire Table Tennis League for the coming season 2016- 17. In this Handbook you should find all the relevant information to thoroughly enjoy the coming season. The Website continues to develop and improve and you will find lots of up to date and interesting information on the site, including the latest results, league and merit tables. Any changes to the Handbook and Fixtures will show on the live copy of the Handbook on the Website. As ever we need to thank Martin Wyatt for all his work on this.

All players need to re-register directly with Table Tennis England (TTE) to get their IM Number and the cost of this has increased to £12 for adults and £6 for juniors. Please note that you must be registered for the season before you play a game in the League.

At the time of going to press we will have 39 teams competing in the League. This gives us three divisions of 10 teams and a Premier Division of 9 teams, all playing within a 10 team matrix. The Committee decided at the end of last season to try to keep a Third Division of 10 teams to encourage new players to get enough games and to reduce the size of the Premier if we had to. This was based on the fact that many Premier League players play in other Leagues as well as ELTTL. We look forward to players views on this and will review it at the end of the season.

This year we are continuing with the way of presenting the fixtures where each team will be allocated a number from 1 to 10, which are shown on the Teams, Venues and Secretaries pages. Fixtures are then shown for each week in the Weekly Fixtures pages, with the first number being the home team. For example in the Premier Division W/C 26nd September Team 1 Ramsbottom A are at home to Team 10 Clitheroe.

Please remember that the new, larger score cards have a box to enter the details of the doubles match. We need you to enter the numbers of the players taking part in the doubles. Thanks to ULTRAFRAME for again sponsoring these cards. Please return all the score cards to the Fixtures Secretary, Mike Turner, within a week of the match being played. You can post these to Mike, put them in the beautifully crafted black wooden Card Box next to the metal Cash box at the Hyndburn Centre or send him an electronic copy. Neil Hepworth will continue to provide monthly press releases to local papers.

Please have a careful look at the League Programme and Other Competitions pages and make a note of the dates in your diary. It would be great if we could get more people to join in these events. Please note that we have decided not to reintroduce the Divisional Handicap Competitions that were scrapped last year due to the lack of interest from players. We have kept the Vets and Super Vets Competition before the Christmas break, following requests from players. They will be played on one evening, probably Monday 12th December. This year the ELTTL Closed Competition will take place earlier than usual on Sunday 5th February. We hope it is as an exciting a day as last year, when the standard of table tennis was very high.

We need to thank Roger Whewell for his work as Tournament Secretary last season and welcome Fred Wade to the role for 2016-17.

The new handicap system introduced to the Fred Holden Cup matches was a great success and we are continuing with this. Grant Siggers has explained how this works later in the Handbook.

We continue to see young players making great progress under the coaching of Micky Moir and Graham Young, with a number now playing in the Premier League. If you are interested in supporting our

representative sides in the Lancashire & Cheshire League matches contact Brian Edwards for details of fixtures.

We trust that you find the state of the art digital lighting a big improvement and worth the short inconvenience it caused us last season. We hope that you have noticed the investment we have made in new barriers and we continue to purchase better quality new tables – we have just got another two Butterfly tables and some better quality Joola nets. Please help us to look after this expensive equipment by encouraging everyone to treat them with respect. We still meet regularly with the Sports Centre Management and are in the process of trying to get them to repaint part of the hall.

The ELTTL is not just about the Hyndurn TT Centre and I want to draw everyone's attention to the good work being done at Ramsbottom Cricket Club, Doals in Weir, the Best Centre in Burnley, Whalley Village Hall, Kay St Baptists in Rawtenstall and the re-opened Brierfield Methodist Church. These clubs do great work in keeping the game alive in their areas. It is good to see extra teams joining the League this season from Doals and Whalley.

If you need any help over the season please contact your divisional representative or any member of the Committee who will be glad to help. The League Secretary and Development Officer, Harry Rawcliffe, is keen to listen to any ideas for getting more people involved in playing table tennis.

Can I draw your attention to the ELTTL Annual General Meeting at HTTC on Wednesday 3rd May, when all clubs need to send a representative. This is a time for the League to make decisions about the future direction of the ELTTL. Finally, the League Presentation Night for the season will be held at Accrington Golf Club on Saturday 6th May 2017. It is a great night to celebrate the season and we would invite all players to attend.

Have a good season and enjoy your table tennis.

Divisional Handicaps Competitions

As the Divisional Handicaps Competitions have been so poorly supported for the last few years, despite the various formats we have tried, the Committee has decided not to run the Competition in 2016-17 season.

Sunday 5th February 2017 ELTTL Closed Championship

The annual ELTTL Closed Championships will take place at Hyndburn TT Centre, consisting of Singles, Doubles, Handicap Singles and Handicap Doubles, and a Singles Losers Plate. The event will open at 9.00 for those who want a knock up, with the event itself starting from 9.30. Further details will be provided nearer the date.

The Vets and Super Vets Competition Week Commencing 12th December.

The Vets and Super Vets Competition was moved last year from early January to April, with all the matches being played over one night. Following requests from players, this has been moved back to before Christmas, in week commencing 15th December 2015. Further details will be provided nearer the date.

Rules

1a The League shall be called the EAST LANCASHIRE Table Tennis League and shall be open to clubs/teams in the district subject to the approval of the General Committee.

1b The League shall be non profit making, any surplus shall be ploughed back into the league and shall not be for the financial gain of any individual

2.a The League shall be governed by the General Committee comprising Officers of the League who shall be elected (see Rule 2b and 3) at the AGM held in May each year. Co-opted members may be included at the committee's discretion.

2b Only fully paid up registered (affiliated) members can serve on any committee, partake in any League activities or take advantage of any discounts.

3 Officers shall be the Chairman, Vice Chairman, Secretary, Treasurer, Fixtures Secretary, plus other members elected (coaching, schools, development, ladies, juniors, press and/or HTTC rep). Members will be elected for a period of two years and will then be due for re-election. Should any member be absent, without reasonable excuse from three meetings in any one season, he or she shall be automatically retired.

4 The league shall be affiliated to the TTE (Table Tennis England) and the LTTA. The current rules of Table Tennis adopted by these organisations shall apply to all matches in the league.

5 All clubs and individuals joining the league shall be deemed to accept the rules of the league on admission and as such, the General Committee shall have the power to fine, suspend or expel any player or club as deemed necessary if found guilty of misconduct or breach of the league rules.

6 No election of officers or alterations to the rules can be made except at the AGM or a special meeting called for that purpose. Any rule changes shall be submitted in writing to the League Secretary within 21 days of the AGM to allow these proposals to be considered & circulated prior to the AGM. **Either the Proposer or the Seconder must be present at the AGM to support/present their motion.**

7. All registered players of the League shall be entitled to attend the A.G.M. **Each registered member of the League will be eligible to vote.** The officers as in rule 3 shall be elected at the A.G.M. All decisions reached will be by majority vote. . In the event of a tie the Chairman will have the deciding vote.

9 All applications for league membership shall only be made to the Fixtures Secretary

10 All fees shall be paid prior to the commencement of the league programme (normally September) and will include; LTTA registration, individual membership, team fees, & for those playing out of Hyndburn TT Centre, room fees, and table fees.

11a. All matches shall **ideally** be played on the dates stated on the official fixture list. **If either team is unable to field a full team, they may request of the other that the match is played on an alternative date. If an agreement to re-arrange cannot be reached between the teams, then it can be referred to the**

committee to arbitrate. The committee, at their discretion, may order the match re-scheduled, or may award points to either side depending on the common sense fairness of either the request to re-arrange, or the refusal to do so. (Note 11b below- no penalty if at least two weeks notice was given) When awarding points in accordance with rule 11a; the points for, should be based on an average over the season; the points against, should be nil.

11b. A match can be postponed without penalty if more than 2 weeks notice is given to the other team. The opposition secretary must agree to re-arrange the match.

11c. A match can be postponed without penalty if a team cannot field three players due to a town team commitment. The opposition secretary must agree to re-arrange the match.

11d. No re-arrangements may be made or requested on the same days as the original fixture date. (Note: except in exceptional circumstances such as inclement weather)

12 Any change of secretary, venue match night, address or telephone number shall be notified immediately to the League Secretary. In addition the opposition team secretaries shall be notified as soon as possible.

13 All secretaries must provide a telephone number where they can be contacted & an email address (email will be the normal way the fixtures secretary sends out information & requests information to and from team secretaries). IMPORTANT: however you contact each other, say to cancel or postpone games etc, if you use a text or email you must make sure an acknowledgment has been given back to you so you know they have received the cancellation information. Simply sending a text or email and assuming you have cancelled is not acceptable without confirming they have received it).

14 If a team resigns from the league, all points will be removed and all monies forfeited.

15. Fees (per season) & entry to the league. All secretaries shall forward to the fixtures Secretary their entry form indicating the team name, home night and venue, players to be registered, each player's individual TTE registration number, & simultaneously send the fees due as indicated on the entry form (as agreed at the AGM) to the treasurer. For teams playing out of the Hyndburn TT Centre places at the centre shall be allocated on a first come first served basis subject to rule 10. All teams playing from the Hyndburn regional table tennis centre will be charged the agreed rate decided at the AGM and stated on the entry form for the season to cover table fees. The team secretary shall be responsible for all charges applicable to his/her team and that rule 10 is adhered to. Fees shall be paid by cheque, payable to "The Table Tennis League". Where cash is paid, a signed receipt must be obtained.

16 The season shall begin at the AGM held in May prior to the season commencing.

17 Each team shall register sufficient players to enable it to fulfil the entire league and cup matches programme.

18. Teams from all divisions can have up to eight players registered at any one time, however teams from within the lowest division may have up to 10 players registered at any one time.

19a Any points won by an unregistered player(s) will not be counted nor awarded retrospectively. The opposition will be awarded the points as if that player(s) had not been present.

19b. All players must be registered with both TTE and the League and have paid their membership fees before taking part in any match. Any player requesting to be registered with the League after the original entry form has been submitted and after the teams have been set in their divisions will be subject to approval by the committee to ensure such a player does not unfairly change the nature of the competition. The committee may refuse a registration or impose limitations if for any reason they think a registration of a player will affect the spirit of fair competition. If any additional information is found subsequent to this

registration the committee have a right to impose, at a later date, any condition that were not imposed at the time of registration where it is felt a distortion of fair competition has arisen mid-season. (NOTE: at the entry form stage teams can register any player they choose but the committee retain the right to judge what standard and division any particular team should then be placed). Only in exceptional circumstances will any new registrations be permitted after January 1st; once again the full approval of the committee is required.

20 During the season any transfers to another team are to be made in writing to the League Secretary for consideration by the General Committee. If approval is given, the player can play for his/her new club four days later, providing that the transfer takes place before January 1st and no previous transfer by that player has taken place during that season. No transfers may take place after Jan 1st at all, apart from when a player plays a 6th game as reserve for a higher team and thus becomes automatically transferred to the higher team as in rule 25 below.

21 Any player having a handicap of 6 or less must play at least 25% of the remaining league matches otherwise any points won will be discounted. Playing in a doubles game does not qualify as a match.

22 To be included in the Merit Table a player must play a minimum of 50% +1 of possible league matches during the season.

23 The Home team shall enter the playing order of its players on the scorecard first, then the away team. The game should then usually be played in the order of the card with discretion to leave doubles till the end unless by mutual agreement games are played out of order due to a player being delayed or someone needs to go early etc but this should not be abused. Either the player name or the player position e.g. first, second, third in the team on the night must be recorded on the scorecard for the doubles game.

24 No player shall be eligible to take part in the semi-final stages of any individual knock-out competition or team handicap unless he/she has played in at least six league matches in the current season and cannot have played for a different team earlier in that season, with the exception of the divisional handicap events, where a minimum of at least two games having been played is only required

25a. Any team can nominate reserves providing, they are from a lower division and have a lower ranking number than **the second highest ranked permanent registered squad player** as known from the latest merit tables published on the league web at the date of the games a reserve is required, (if in doubt ring to check eligibility of reserve with the fixtures secretary before playing). A reserve can only play for one team per division up to 5 times in a season and will automatically be transferred permanently to that team after playing 6 matches (and can no longer play from that point for the team the reserve had been originally registered with in the lower division). Reserves under this rule do not have to be registered to the same club and can come from any team as long as they comply with rest of the conditions above.

25b. Players from anywhere in the league can be signed on for a team in a cup match, but they can only play for one team in a season

26 All matches shall commence no later than 7:30 PM. One player must be in attendance at 7:30, the second player at 8:15 and the third player no later than 8:45 PM. The opposing side can claim the points of those sets, which could have been played if the opponent had been present. These times are reduced by 15 minutes for games being played at the Hyndburn TT centre. Any disputes regarding points to be claimed through this rule will be subject to the committee who will have the final say on the matter.

27 The home team secretary has the sole responsibility to notify the fixtures secretary of the result of the match. Secretaries should always endeavour to ensure the scorecard is returned to the box in the Hyndburn centre or posted to the fixtures secretary or a scanned copy emailed to the fixtures secretary no later than a week after the match was played. Very late and persistently late offenders may have penalty points deducted at the discretion of the committee.

28 In the event of two or more teams having the same number of points at the end of the season, their positions shall be re calculated and re adjusted by awarding two points for each match won and by awarding one point for every match ending in a draw. If still the same it will be decided by head to head statistics over the two games verses each other in the season.

29 Fred Holden Cup matches have priority over the league matches and are counted as due to be played in the weeks set aside in the programme on the regular home night of the home team at the home team's venue, or in the case of the semi-final and Final stages in the same week as scheduled in the programme on a night to be agreed to be played at a neutral venue or at a venue agreed by the two teams involved.

29a The Fred Holden Competition will be organised during the season. This will be organised on a team handicap basis. All teams will participate.

30 In a group or round robin competition, all members of the group shall compete against each other and shall gain two match points for a win, 1 point for a loss in a played match and 0 points for a loss in an unplayed or unfinished match. The ranking order shall be determined primarily by the number of match points gained. If two or more members of the same group have gained the same number of match points their relative positions shall be determined only by the results of the matches between them, by considering successively the number of match points, the ratio of wins to losses first in individual matches (for a team event), games and points, as far as is necessary to resolve the order. If at any step in the calculations the positions of one or more members of the group have been determined while the others are still equal, the results of the matches in which those members took part shall be excluded from any further calculations needed to resolve the equalities in accordance with the procedures above. If it is not possible to resolve the relative positions shall be determined by lot. This does not apply to Fred Holden Cup matches

31 Each division is based normally on having ten teams, each team will play home and away. At the end of the season the top two teams in each division will be promoted. The bottom two in each division will likely be relegated depending on the number of teams dropping out or new teams coming in. If a division has only nine teams then only one would be relegated but two promoted. The committee may promote more than two teams in some circumstances and has discretion to decide where any newly formed teams should be placed as well as putting more than 10 teams in a division if it deems it necessary. The committee also have the right as per rule 19b to 'promote' any team whose make up of players through changes or additions to previous seasons, in the committee's opinion has changed their standard sufficiently to be too good for their original division. (It will not be normal practice to demote teams who due to team personnel changes have become weaker, unless they had been automatically demoted, or at the start of a season were requesting to drop a division which would be subject to the discretion of the committee).

32 In the event that a situation arises that is not covered by the rules, the committee has the authority to make a decision which is final. This does not constitute a precedence but may become a rule at the next AGM if considered appropriate.

GENERAL INFORMATION (NOT RULE CHANGES)

For casual play, practicing or coaching the session charge is £3 per player. For league matches the charge shall be £12.00 per table per home match at Hyndburn Table Tennis Centre.

Calculating Handicaps using player's rank

In an attempt to produce handicaps from actual player performances rather than from what players think they should be, a ranking system was created which was linked to our handicap system, this has been in use over the past nine seasons. To set up the system each point on the handicap chart was deemed to be equal to 35 racking points. A handicap of 0 is equal to 2600 ranking points so a handicap of 70 will be equal to 150 points. A full list is shown below.

The results from every match played are used to constantly update players ranking values, so a player who is currently on a roll would be gaining more ranking points resulting in his handicap going down, the opposite would occur for a player going through a bad patch, their ranking total will drop and their handicap would go up. Handicaps are updated before the start of the divisional handicaps, before the start of the preliminary cup round, before the closed competitions and before every further cup round including the final. The Handicap Officer has the authority to review a player's rank subject to Committee approval. The chart for awarding and deducting ranking points is shown below, this was copied from the ETTA

1. All games are played up to 21 points.
2. The difference of handicap of both players when checked in the handicap table will give the start.
E.g. Tony Blair on 19 plays David Cameron on 71. So $71 - 19 = 52$, a difference of 52 when checked on the chart at the top of this page gives a start of 16, so Tony Blair starts on 0, David Cameron starts on 16 in each game.
3. The player with the highest handicap has the choice to serve first.
4. At least one player MUST start from love (0).
5. The maximum start allowed for any player is 16 points.
6. For calculating handicaps for doubles matches, add together the handicap numbers for the doubles team and divide by two, round up to the next whole number. Do the same for the opposing team and use the table above to calculate the start. For example: Nick Clegg (0) and Gordon Brown (30) making up one team would have a handicap total of 30, divide by 2 = 15. If they played David Cameron (19) and Margaret Thatcher (56) with a total of 75, divided by 2 = 37.5, which rounds up to 38. This means that Clegg and Brown would give Cameron and Thatcher $38 - 15 = 23$, a difference of 23 gives a start of 11.

Handicap system for Fred Holden Cup 2016/2017

1. Each player's handicap rate as issued by the Handicap Officer prior to each round of the Cup is inserted onto the scorecard and the total of all three players is used as the team handicap which is their starting score.
2. Each match between individual players consists of 4 sets played up to 11. Remember **4 sets have to be played** for each individual match. The score for each set is added to the team score and a cumulative total is kept.
3. Every single point in each set counts towards the team's total score so the more points won the better.
4. First player to reach 11 wins that set, no need for 2 clear points to win it.
5. After everyone has played each other the cumulative total for each team determines who has won the match. The highest cumulative team total wins the match.
6. As usual, amended handicap rates for each player will be issued before each round of the Fred Holden Cup.
7. You will notice that the Fred Holden handicap rates for the players are exactly double the standard handicap rate.

Example (based on 2012/2013 teams) of how to fill in the handicap scorecards for the Fred Holden Cup handicap matches:-
