A great days table tennis was enjoyed by 33 entrants in this years 'Big Day'; event run by East Lancashire Table Tennis League. The singles

championship winner was Howard Whewell whose fine attack spin game in a hard fought final overcame the dogged backspin defence of the runner up Colin Parkinson.

Howard in his earlier years was a county champion, but after a 10 year absence from the game only returned to playing last year, and to be East Lancs Champion so soon is a great achievement. The doubles was won by David Kay and Liam Bedford and the runners

up were Barry Hall and Noel Duffy .

Colin Parkinson who was runner up in the straight singles event, was the victor in the handicap singles event over youngster Harry Bell. Harry Bell did one

better by being the winner alongside Bernard Milnes in the handicap doubles over runners up Lee Cooper and Liam Walsh. In the Plate Competition the winner was Nigel Fewster and

the runner up Neil Hepworth.
