THE WELFARE OFFICER

Catherine Lawson has agreed to take up the role of the ELTTL Welfare Officer. If you have any concern about an issue relating to the safeguarding of a young person or a vulnerable adult please make contact with Catherine on 07505354318. Please note that the League is clear that parents have overall responsibility for their child’s safety at all times.

A Summary of ELTTL Developments in 2019

I welcome you to the ELTTL for the coming season. This Handbook has the relevant information that you will need. Please remember that the Rules are now available on the Website only; where a statement regarding ELTTL's policy on GDPR can also be found. Here you will also find the latest results, league and merit tables, and the Fred Holden Cup results. Any alterations will show on the live copy of the Handbook on the Website. As ever we need to thank Martin Wyatt for all his work on this.

I need to take this opportunity to thank Eric Ronnan for all his work as the Vice Chair of the ELTTL, as he has decided to step down, although he will remain as a member of the Committee. Thanks go to Ian Pickles who has agreed to take over as Vice Chair.

A recent issue for the League has been with our relationship with the Hyndburn Leisure Trust that manage the Sports Centre. Central government cuts to local authority funding has meant that Hyndburn Council has had to cut its grant to the Sports Centre from over £1 million a few years ago, to nothing this year. This has led to the Trust having to charge the League significantly more to use the Table Tennis Centre. We understand their dilemma and want to work with them to ensure that there is enough income to keep the Table Tennis Centre open.

To ensure that ELTTL can continue to fund the Table Tennis Centre we need to increase our income. As such we have had to increase what we charge players to use the Centre. The most obvious increase that you will notice is that from September 1st we have raised the £3 Session fee to practice to £4. Our fees have remained the same for a number of years so this still offers good value for money. The economics are fairly simple in that if we don't get enough income to pay our share of the costs of maintaining the Centre it will have to be used for something else. We continue to meet with the Sports Centre Management Team every quarter and will work together with them to ensure that we all can still enjoy the excellent facilities the Fred Holden Table Tennis Centre offers us all.

This season we will have 38 teams in the League, giving us a Premier & First division of 9 teams and a Second & Third division of 10 teams, all playing within a 10 team matrix. Each team will be allocated a number from 1 to 10, fixtures are then shown for each week. The Fixtures in the handbook has been changed with each division allocated a separate page. Thanks to Andrew Brierley (Spin Drs) for putting this together for us.

Players need to re-register directly with Table Tennis England (TTE) to get their IM Number and the cost of this has remained at £16 for adults and £8 for juniors. Please note that you must be registered for the season before you play a game in the League.

The Vets and Super Vets Competition will be played in w/c 16th December. We are considering experimenting with a Super Super Vets Competition now that we have so many League players over 70 years of age. Further information will follow. This year the ELTTL Closed Competition will be on Sunday 16th February. The Hard Bat Competition has moved to w/c 6th April.

The issue of teams postponing games at the last minute was raised at the AGM and the Committee considered a number of suggestions to try to alter this situation. This season we have tasked Divisional Representatives to act on information provided by the Fixtures Secretary to chase up any postponements and assist to get them played as soon as possible. All league matches must be played by Friday 17th April.

The League continues to place a high priority on coaching and both juniors and older players have benefitted from sessions. Micky Moir, Ian Pickles, Trevor Elkington, Graham Young, Neil McKinnon, Colin Hooper and Harry Rawcliffe are just some of the players who have offered coaching sessions. This year Fred Wade has run sessions for adults at St Peter's Centre in Burnley and the numbers attending are slowly growing.

Our investment in quality equipment has continued, and we would ask you to encourage everyone to treat this with respect. This season we have purchased two Stiga Optimum tables with 30 mm blue tops, to complement our Butterfly and Sponeta tables. Following complaints about the condition of the nets we have decided to replace all the nets and posts simultaneously with high quality Joola WM Ultra nets and posts. We hope that having only one style of net & post will enable players to get used to erecting them correctly and we can look after them better.

Finally we need to congratulate Fliss Pickard on her continued success with the England Paralympic Team and wish Theo Bishop well now that he has moved to Grantham to train with the national squad.

If you need any help over the season please contact your divisional representative or any member of the Committee. Can I draw your attention to the ELTTL Annual General Meeting at HTTC on Wednesday 6th May, when all clubs need to be represented. The Presentation Night will be held at Accrington Golf Club on Saturday 25th April 2020. It is a great night to celebrate the season and we would invite all players to attend.

Have a great season and enjoy your table tennis. Ged Simpson - Chairman

Calculating Handicaps using player's rank

In an attempt to produce handicaps from actual player performances rather than from what players think they should be, a ranking system was created which was linked to our handicap system, this has been in use over the past nine seasons. To set up the system each point on the handicap chart was deemed to be equal to 35 racking points. A handicap of 0 is equal to 2600 ranking points so a handicap of 70 will be equal to 150 points. A full list is shown below.

| Hd | Rank | Hd | Rank | Hd | Rank | Hd | Rank | Hd | Rank | Hd | Rank | Hd | Rank |

The results from every match played are used to constantly update players ranking values, so a player who is currently on a roll would be gaining more ranking points resulting in his handicap going down, the opposite would occur for a player going through a bad patch, their ranking total will drop and their handicap would go up. Handicaps are updated before the start of the divisional handicaps, before the start of the preliminary cup round, before the closed competitions and before every further cup round including the final. The Handicap Officer has the authority to review a player's rank subject to Committee approval. The chart for awarding and deducting ranking points is shown below, this was copied from the ETTA

How to play an individual handicap match (not Fred Holden Cup)

Details for calculating and playing handicapped table tennis in this league

| <u>Difference</u> | <u>Start</u> |
|-------------------|--------------|
| 1 | 1 |
| 2 | 2 |
| 3 | 3 |
| 4 | 4 |
| 5 - 7 | 5 |
| 8 - 9 | 6 |
| 10 - 11 | 7 |
| 12 - 13 | 8 |
| 14 - 16 | 9 |
| 17 - 19 | 10 |
| 20 - 23 | 11 |
| 24 - 28 | 12 |
| 29 - 34 | 13 |
| 35 - 41 | 14 |
| 42 - 49 | 15 |
| 50+ | 16 |

1. All games are played up to 21 points.
2. The difference of handicap of both players when checked in the handicap table will give the start.
E.g. Tony Blair on 19 plays David Cameron on 71. So $71 - 19 = 52$, a difference of 52 when checked on the chart at the top of this page gives a start of 16, so Tony Blair starts on 0, David Cameron starts on 16 in each game.
3. The player with the highest handicap has the choice to serve first.
4. At least one player **MUST** start from love (0).
5. The maximum start allowed for any player is 16 points.
6. For calculating handicaps for doubles matches, add together the handicap numbers for the doubles team and divide by two, round up to the next whole number. Do the same for the opposing team and use the table above to calculate the start. For example: Nick Clegg (0) and Gordon Brown (30) making up one team would have a handicap total of 30, divide by 2 = 15. If they played David Cameron (19) and Margaret Thatcher (56) with a total of 75, divided by 2 = 37.5, which rounds up to 38. This means that Clegg and Brown would give Cameron and Thatcher $38 - 15 = 23$, a difference of 23 gives a start of 11.

Handicap system for Fred Holden Cup 2019/2020

1. Each player's handicap rate as issued by the Handicap Officer prior to each round of the Cup is inserted onto the scorecard and the total of all three players is used as the team handicap which is their starting score.
2. Each match between individual players consists of 4 sets played up to 11. Remember 4 sets have to be played for each individual match. The score for each set is added to the team score and a cumulative total is kept.
3. Every single point in each set counts towards the team's total score so the more points won the better.
4. First player to reach 11 wins that set, no need for 2 clear points to win it.
5. After everyone has played each other the cumulative total for each team determines who has won the match. The highest cumulative team total wins the match.
6. As usual, amended handicap rates for each player will be issued before each round of the Fred Holden Cup.
7. You will notice that the Fred Holden handicap rates for the players are exactly double the standard handicap rate.

Example (based on 2012/2013 teams) of how to fill in the handicap scorecards for the Fred Holden Cup handicap matches:- You will notice in this example that KSB F just win this match by 3 points.
